

## East Fremantle District Game Day Environment

The East Fremantle district's Game Day review is broken up into 3 sections, Coach review, Team Manager review and Umpire review, which is completed at the end of each game by the appropriate official relating to each section. Team coaches and managers will assess their opposing team's game environment by rating them on a scale of 1 - 5 (1 = strongly agree, 5 = strongly disagree) for the questions below. The umpire will complete the form for both teams competing in the game after the coaches and managers have finished filling out their sections. Umpires will hand in both completed forms with match day paperwork. Team's performances will be monitored throughout the season to ensure quality game environment is achieved and acknowledged by the district.
